★★★★★ Closet Hooks

Reviewed in the United States on August 16, 2023

Color: Black [Vine Customer Review of Free Product](#) (What's this?)

I got these to hang bags, scarves, and accessories and they work well for this. It's easy to hang it over the bar just like a hanger, then hang the item on the end. There's really not much to it, lol.

★★★★★ Super handy!

Reviewed in the United States on July 11, 2023

Color: Black [Vine Customer Review of Free Product](#) (What's this?)

These are so useful. I like that they have rubber-coated tips so your stuff doesn't snag. They have an impressive weight capacity. I hung both my delicate scarves and hefty totes on them and it holds them up like a champ so I can sort my things in my closet and find them quickly.

I love that they stack to take up very little space when not in use (see first photo).

Great closet organizational tool!

Good solid hangers. I use them for the plethora -- PLETHORA! -- of laptop and camera bags I've accumulated over the years and won't part with. These hangers allow me to... hang them in my office closet instead of taking up excessive shelf space or keeping them in a pile on the floor.

If they can handle laptop bags, camera bags, and backpacks, they'll probably hang purses and other things with handles just fine.
